

JPRS Submission Form

Instructions

Please return this submission form alongside your manuscript to managing.editor@jprstudies.org

Manuscript Information

Name(s) of author(s) and contact email	Corresponding author:	Email:
Additional author(s) (please separate author names with commas):		
Title of manuscript		
Abstract (150-200 words)		
Keywords (up to 7) (please separate keywords with commas)		
Brief author biography (50-100 words per author)		
Do you have any conflict of interest to declare? If so, give details. See JPRS policy on Conflict of Interest.		
Does this manuscript report research involving human participants (e.g. interviews)?	Yes	No
If yes, please provide details as follows:	Was ethical approval obtained before the study commenced for all parts of the research from the relevant institutional review board (IRB) or other appropriate ethics committee? The name of the ethics committee or IRB Any reference or permit numbers where these are available	Yes No If no, please give reasons.
Does the manuscript contain material held under copyright that is not covered by fair use? (see JPRS policy on Use of Copyrighted Materials)	Yes	No
If yes, has permission been granted to reproduce copyrighted materials?	Yes	No
If no, please indicate when permission was requested to reproduce copyrighted materials. It is JPRS policy that all requests to use copyrighted materials must be made prior to submission.		

If permission is not granted to reproduce materials, will you still wish to publish the manuscript? If yes, please indicate how this would be achieved.

Does the manuscript re-use material which has been published elsewhere? If so, please give specific details. You might wish to refer to JPRS Preprint and Plagiarism and Text Recycling Policy.

Are there any peer reviewers you believe would be suitable to review this manuscript? Please refer to our Conflict of Interest policy before suggesting individuals. JPRS reserves the right to select the reviewers we consider most suitable.

By submitting this form, you confirm:

- That the work is original and was written by the named author(s)
- That this work has not been previously published (other than as a preprint) and has not been submitted for consideration to another journal
- That (if relevant) ethical approval was obtained before the study commenced for all parts of the research from the relevant institutional review board (IRB) or other appropriate ethics committee
- That (if relevant) the study meets national and international guidelines for research involving humans
- That all funding sources have been listed in the acknowledgements sections
- That the submitted manuscript complies with all relevant JPRS editorial policies.
